MEDIA OPPORTUNITIES

So that we can raise awareness of Mates4Mates and bring attention to some of the issues our Mates are dealing with, we often look for media opportunities to “advertise” our free services and to let the general community know that Mates4Mates are here to help. This is also part of our fundraising strategy, which ultimately allows us to provide these free services to our Mates and their families.

Would you like to be involved in any public affairs or media opportunities?

YES NO

WHAT HAPPENS NEXT?

All EOIs will be held until the closing date. They will then be considered as part of a selection process, which may include an interview with the Mates4Mates psychologist. Unfortunately there are only a limited number of spaces on this activity and Mates4Mates endeavours to offer this amazing opportunity to those we hope will receive the most benefit.

You will be sent an email by our Activities Coordinator to acknowledge your application has been received. **Keep an eye on your inbox for more information!**

PLEASE NOTE: Successful participants will be expected to complete all administrative requirements **within 2 weeks** of accepting the offer to participate. This includes completing a Medical Form.

If successful applicants are unable to meet this timeframe, their place may be offered to somebody else.
