MEDIA OPPORTUNITIES

So that we can raise awareness of Mates4Mates and bring attention to some of the issues our Mates are dealing with, we often look for media opportunities to “advertise” our free services and to let the general community know that Mates4Mates are here to help. This is also part of our fundraising strategy, which ultimately allows us to provide these free services to our Mates and their families.

Would you like to be involved in any public affairs or media opportunities?

YES NO

WHAT HAPPENS NEXT?

All EOIs will be held until the closing date. They will then be considered as part of a selection process. Unfortunately there are only a limited number of spaces on this activity and Mates4Mates endeavours to offer this amazing opportunity to those we hope will receive the most benefit.
